My Culture, My Country, My Flag

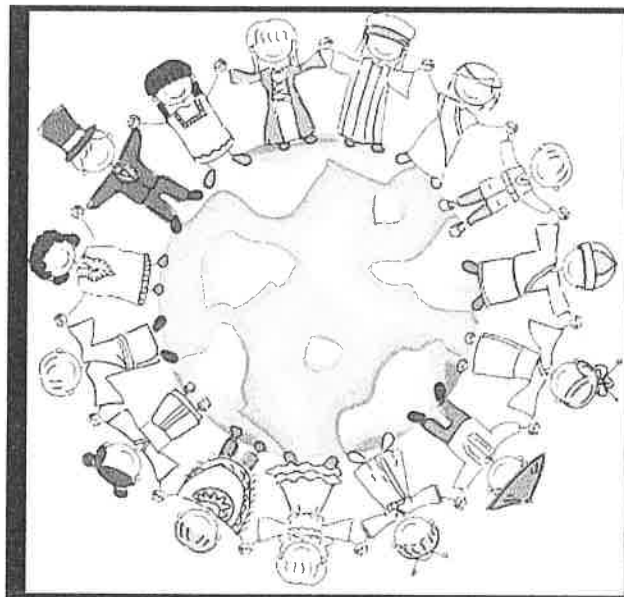

Dear Parents:

The week of December 3-7 is Multicultural Week at Walnut Grove. This homework assignment invites you to discuss the countries, cultures, and customs that contribute to your child's identity. Please include whatever is meaningful for you and your child. If there is more than one flag, country or culture your child would like to share with the class, just add pages to the assignment. Also, if your focus is on the United States and the American flag, that's great too!

Regarding the Multicultural Fair, the theme this year is "Inspiring Places" and all parents are invited to set up and host their own country booth on Dec 3. This is a school-wide PTA event. If you are interesting in participating, please email: sylviaxtian@gmail.com

Dear Students:

What countries and cultures make you who you are? What do you want to share with the class? Talk about it with your parents and family members!

Draw pictures or glue photographs to fill in the blanks and show us your answers:

Here is a picture from my culture/or my country flag.

The flag/ culture/or country name is:_____.

One special custom or tradition we celebrate at home is:

_____.

Here is a picture of us celebrating:

One inspiring place in _____ (name your country) is

_____. It inspires me because

_____.

Here is what it looks like:
